

## Application form for VSAT/SNG satellite earth station licences

<b>I. Customer Information</b>	
Applicant and company registration number:  _____ _____	Postal address:  _____ _____
Mobile phone and/or fixed:  _____ _____	E-mail:  _____ _____
Billing address (if different from postal address):  _____ _____	
Name of contact person (responsible for operation):  _____ _____	Postal address:  _____ _____
Mobile phone and/or fixed:  _____ _____	E-mail:  _____ _____
<b>II. Information regarding the service</b>	
Type of service (e.g. data/video/audio/telephone):  _____ _____	
Date of start and end of service:  _____	

**III. VSAT/SNG Earth station** (for Hub station/additional station(s) copy this sheet and complete this section accordingly)

Address of location:

\_\_\_\_\_

Geographical coordinates	Longitude								Latitude									
	Degrees			E/ W	Minutes		Seconds			Degrees			E/ W	Minutes		Seconds		

Manufacturer/Type of equipment/Type approval mark:

\_\_\_\_\_

Serial number:

\_\_\_\_\_

Transmitting Frequency/Frequency band	Lower limit: _____
	Upper limit: _____
Receiving Frequency/Frequency band	Lower limit: _____
	Upper limit: _____

Antenna altitude from sea level, m: _____	Antenna diameter, m: _____	Polarisation: _____
Maximum antenna gain (transmitter), dBi: _____	Maximum antenna gain (receiver), dBi: _____	Radiation pattern (give reference pattern or provide diagram): _____
Antenna beamwidth: _____	Data rate of Transmission, Kbit/s: _____	Receiving system noise temperature, K: _____
Designation of emission: _____	Total peak power, dBW: _____	Maximum power density, dBW/Hz: _____

**IV. Satellite**

Name: _____	Location (Orbital long./Deg. east): _____
Transmitting beam: _____	Receiving beam: _____

<b>Signature:</b> _____	<b>Place and date:</b> _____
Name (Block letters) _____
